

## Downloading, Installing and Test Driving our Solution

Go to [www.internetdispatcher.com](http://www.internetdispatcher.com). Click on "Bell Agents Sign In Here" - located on the left side of the page.

1. On this new page, select "To download Software Demonstration please click here."
2. On the next page, click on the IDS Logo:

### How to Launch our Software

## Launch IDS Web Edition

2. The Software will now download. (You might see a Java Dialogue Box open, this is just our software ensuring that you have the right version of Java installed on you computer.)

3. When the download has completed, the following box will appear:

4. Open up your browser on your Blackberry and 'Go to' [http://www.internetdispatcher.com/bb/IDS\\_BB.jad](http://www.internetdispatcher.com/bb/IDS_BB.jad). This will install the Driver's Application onto your Blackberry.
